April Autism Awareness Month Prayers of the Faithful

We pray for catechists and catechetical leaders to provide opportunities for persons with autism to receive spiritual formation, sacrament preparation, and to live their faith in community. Let us pray to the Lord.

We pray for the clergy who follow Jesus's example to open their arms to embrace those with autism and their families. May the doors of the parish be always open to nurture their faith in the Church. Let us pray to the Lord.

We pray for Pope Francis who stresses the importance of accompanying persons with autism and their families in a personal way by listening to their needs. Let us pray to the Lord.
