## Access in Catholic Education

### Part I: Elementary Schools

Tuesday, October 13, 2009 | 3:00 – 4:00 p.m. EDT

### Part II: High Schools

Tuesday, February 16, 2010 | 3:00 – 4:00 p.m. EST

There are an increasing number of students with disabilities enrolled and appropriately supported in Catholic schools across the country. This webinar will provide an opportunity for participants to hear from administrators and teachers who have found success in accommodating students with disabilities.

*Catholic schools more perfectly reflect the single flock envisioned by Jesus, our Shepherd, when they welcome and integrate students with disabilities into the total life of the school. In these two NCPD webinars, Catholic educators with significant experience at both the school and diocesan levels will share strategies and resources that enable Catholic schools to become successful, inclusive communities. These webinars are especially directed toward diocesan and school administrators and faculty.*
