

We Go to Mass

The Entrance Procession

We say hello.

We sing to God.

We say, "I'm sorry."

We listen to God & Jesus stories.

Our offering to God — money and ourselves.

We get ready to receive Jesus in Communion.

We pray the "Our Father."

We shake hands.

We receive Jesus in Communion.

We sing about bringing Jesus into the world.

We say, "good bye."

We go home to love Jesus, our family, & other people.

To use "We Go to Mass" picture schedule, laminate picture schedule page. Use a paper clip to track progression of the Mass. Earlier versions of this picture schedule used Velcro buttons corresponding to the pictures, however, many parents were uncomfortable with the noise associated with removing Velcro buttons. There is sufficient margin on the left side for binder holes if you wish to keep schedule in binder with other items.
